

Weather Closings at Oakland

The weather sometimes forces us to change our schedule or cancel of activities at Oakland. If the normal schedule is changed, we will get the word out in the following ways:

Information Sources:

- * Go to **www.oaklandbc.org** and look for notice on home page or click Weather Closings tab on the left of the home page
- * **Call the church office at 540-663-2546.** There will be a recorded message with information about cancellations.
- * WFLS 93.3 on the FM dial
- * When possible, your ministry group may be informed by your leader through email.

Sunday Morning Activities:

Check above sources

Wednesday Night Activities:

- If King George County Schools are closed, close early, or cancel after school activities due to weather conditions, we will also cancel Awana, the Adult Bible Study Groups and choir practice.
- Even if schools remain open, OBC may still cancel activities, so first check the sources above confirm and if unclear, check with your ministry's leader directly.

We hope that this will avoid confusion, but we encourage you to use your best judgment concerning travel during inclement weather whatever our decision.
